

Rebecca (Becca) Steinmann, RN, APN, CEN, CPEN, CCRN, CCNS

I have been a member of the Emergency Nurses Association and a Certified Emergency Nurse for 25+ years. I am beginning a 2-year term as president of the Illinois ENA state council. I have had the opportunity to serve ENA in various roles at the state and national level – I am a member of the state pediatric, spring symposium planning, and trauma committees; I am an active CATN Course Director, ENPC and TNCC faculty, an injury prevention volunteer, a past state council president from Ohio (1997), and have served on the national Course Administration Task Force, International Faculty, Leadership Conference, and Advanced Practice committees.

I am currently employed as the Clinical Educator for the adult and pediatric emergency department at Edward Hospital (Naperville, IL).

I can be reached at (630) 516-0608 in the evenings or rsteinmann@ameritech.net (home contact preferred). To reach me at work: (630) 527-5737 or rsteinmann@edward.org
