Work: 773-880-6303  
FAX: 773-975-8757  
email: [hhawkins@childrensmemorial.org](mailto:hhawkins@childrensmemorial.org); [hshawk@aol.com](mailto:hshawk@aol.com)

**Present Position:** Resuscitation Education Coordinator

- Employed at Children's Memorial Hospital since 1982. Prior to this, worked in Adult ICU (Coronary Care Unit, Surgical Intensive Care Unit and Medical Intensive Care)
- Member of the Hospital based CODE Committee and active in resuscitation education within the hospital and review all codes within the hospital
- Coordinate Pediatric Advanced Life Support courses (monthly) for Children's Memorial Hospital staff
- Coordinate Neonatal Resuscitation Program courses (monthly) for the Northwestern Perinatal Network
- Coordinate ACLS Courses for Children's Memorial Hospital staff
- Coordinate Emergency Nursing Pediatric Courses and Trauma Nursing Core Courses
- Run interdisciplinary Mock Codes at Children's Memorial Hospital
- Member of the Code CISD Team
- Clinical Educator for the hospital Resource Team – RN's who work all of the units throughout the hospital
- Actively involved in the Nurse Intern program for new graduate nurses as both a mentor and educator
  
- Worked on the Neonatal Intensive Care Unit from May, 1982 to March, 1985 and did neonatal transports during that time.
- Member of the Neonatal/Pediatric Transport Team at Children's Memorial Hospital from March, 1985 to December 2001. An original member of this dedicated transport team and participated in it's formation. Responsibilities included:
  - Functioning in an expanded role on neonatal and pediatric transports - transporting critically ill newborns, infants and children via ambulance, helicopter or fixed-wing.
  - Performing such skills as intubation, chest tube insertion, umbilical line insertion and intraosseous line insertion
  - IV resource team for the hospital, starting difficult IV's on patients of all age groups
  - 'Bed control for hospital' – deciding appropriate beds for patients being admitted

Diploma in Nursing Illinois Masonic Medical Center – Chicago 1969
