

**7:15 - 8:00 • Registration and Exhibits**

**8:00 to 8:50** **Keynote Address - There Can Be Miracles; Nursing in the New Millennium.**  
**ENA Illinois State Council President Barbara Weintraub, RN, MPH, MSN**  
 This presentation provides insight into how to solve the nursing shortage. From promoting our image with young children, to professional issues at the business and corporate level, Barb presents a multi-faceted plan.

<b>9:00 to 9:50</b>	<b>101 - Illinois Mobile Emergency Response Team Update (IMERT)</b> Leslee Stein-Spencer, RN, MS Cyd Gajewski, RN, BSN What is IMERT? What is its role within the State Disaster Plan? How can you become a member?	<b>102 - Uncover what you need to know about childhood psychiatric pathology</b> Richard Martini, MD Improve your comfort level when dealing with children displaying psychiatric pathology in the ED.	<b>103 - Traumatic Mass Casualty Disasters</b> John Barrett, MD The medical response to incidents involving multiple trauma victims, often overwhelms usual resources. Emphasis on roles of responding agencies and initial triage will be discussed.	<b>104 - Dead, Dead &amp; Dead Pediatric Emergency Burn Care -- What You Really Need To Know</b> Scott DeBoer, RN, MSN This highly interactive lecture dispels many of the current myths of prehospital and ED burn care.
---------------------	--	--	---	---

**9:50 - 10:30 • Coffee with Exhibitors**

<b>10:40 to 11:30</b>	<b>201 - Tips for Tubing Tots</b> Peter Lazzara, NREMT-P A pediatric-specific advanced airway lecture for prehospital professionals.	<b>202 - Check Out the S.T.A.B.L.E. Principles</b> Phyllis Lawlor-Klean, RNC, MS Overview of post-resuscitation and pre-transport neonatal stabilization. Review of principles of Sugar, Temperature, Assisted Breathing, BP, Labs, Emotional Support.	<b>203 - From Beginning to End...Mechanisms of Injury</b> Colleen Andreoni, RN, MS The importance of mechanism of injury and principles of kinematics will excite the "detective" in all of us. Will enhance assessment and evaluation skills when caring for trauma patients.	<b>204 - Identifying the Barriers to Screening for Domestic Violence</b> Mary O'Shields, RN, MS Presented are some of the reasons why ED nurses find it difficult to screen for domestic violence. Strategies to increase compliance with screening and resources included.
-----------------------	--	--	--	---

<b>11:40 to 12:30</b>	<b>301 - Tubing 'Em in the Mean Streets</b> Daniel Carlascio, NREMT-P Multi-faceted lecture demonstrating easy methods of intubating the challenging airway.	<b>302 - Evidence Collection in the Pediatric Patient</b> Angela Black, RN, BSN Identifying child abuse and the process involved for evidence collection, as well as maintaining that chain of evidence.	<b>303 - The Unusual and Bizarre in Urotrauma</b> George Schuster, MD Unusual urogenital trauma... A picture is worth a thousand words.	<b>304 - Innovative Ideas for Nurses: Research and QA Forum</b> Vicky Keogh, RN-C, Ph.D Rita Schlomer, RN, MS An update from last year's focus group on ED nurse job satisfaction. Innovative research and QA ideas from our colleagues.
-----------------------	--	--	---	---

**12:30 - 2:00 • Lunch with Exhibitors •** A Shifting Paradigm: The Untreated High-Risk AMI Patient  
 Mary L. Hook, RN, MS, CS • Sponsored by Genentech

<b>2:00 to 2:50</b>	<b>401 - The Combat Zone Obstacle Course</b> Peter Lazzara, NREMT-P Daniel Carlascio, NREMT-P Virtual reality stations designed to challenge even the most seasoned field medic. We will be keeping score to determine who is the intubation "TOP GUN".	<b>402 - New Interventions in Pediatric Seizures</b> Joie Bertram, RN, MSN Examine new interventions for the treatment of pediatric seizures.	<b>403 - Acute Coronary Syndrome: Managing the Patient Door to Discharge</b> Kathy Mast, RN, MS Epidemiology and pathophysiology of ACS using evidence-based medicine as a framework. Treatment strategies for acute phase of hospitalization through discharge.	<b>404 - Designer Drugs: Challenge for the New Millennium</b> Sergeant Bruce R. Talbot What are the latest club drugs? What is their impact on your practice?
---------------------	--	---	--	---

<b>3:00 to 3:50</b>	<b>Room closed after the Obstacle Course.</b>  <b>Selections limited to 502, 503, 504.</b>	<b>502 - Pediatric Trauma - Intentional or Accidental</b> Demetra Soter, MD Is a pediatric injury intentional or accidental? Come find out.	<b>503 - Craniofacial Trauma: Exploring Our Window to the World</b> Daria Ruffolo, RN, MSN-CS This session will demonstrate the devastating impact of craniofacial injury to sensory motor functions and self-image.	<b>504 - ED Approach to Hallucinogenic Drug Toxicity</b> Jerrold Leiken, MD Discussion focuses on complex symptom recognition, data gathering techniques, treatment and trends with hallucinogenic drug presentation.
---------------------	--	---	--	---

<b>3:50 to 4:30</b>	<b>CECH Distribution</b> CECH's will be provided for RN's. CME hours have been approved by the Illinois Department of Public Health for EMT-B, EMT-I, EMT-P, Pre-Hospital RN, ECRN and TNS.	 <b>EXHIBITORS:</b> The Illinois State Council ENA welcomes the exhibitors to this year's 28th Symposium. The exhibitors provide many opportunities to experience and view the latest innovations in emergency technology. Take advantage of this great opportunity to interact with exhibitors, nurse recruiters and representatives of nursing schools.
---------------------	--	---
