**Complimentary
Networking Dinner
April 28, 2005 • 6:30 PM
State Sponsored
All Invited!!!**

7:00 - 8:00 • Registration and Exhibits

**8:00
to
8:50**

Keynote Address - Integrating Spiritual Care in the Emergency Department.

Nancy Rago-Durbin, RN

Nancy Durbin, a former emergency nurse, has worked within the specialty of parish nursing for the last ten years. Whole person health has led her to dedicate her practice to teaching nurses in specialty areas how to incorporate spirituality into their daily care.

**9:00
to
9:50**

101 - What Do We Do Now That We've Grown up?

Polly Gerber Zimmerman, RN

Polly Gerber Zimmermann is an ENA board member and prolific author of nursing publications. She shares her insight into how we can accomplish what we want in nursing, and make a life, not just a living.

9:50 - 10:30 • Coffee with Exhibitors

**10:40
to
11:30**

201 - Geriatric Trauma: Caring For a Fragile Population

Daria Ruffolo, RN

Focus on the physiological differences and injury patterns in the geriatric population.

202 - The Female Heart

Vanessa C. Kramasz, RN

Explore the signs and symptoms of women with heart disease, as well as new statistics and their impact on nursing practice.

203 - Complex and Problematic ED Cases

Ronald Kurzejka, MD

Benefit from Dr. Kurzejka's most interesting pediatric and adult medical and trauma case presentations.

204 - "Just the Facts, Ma'am"

**Darcy Egging, RN
Vicky Keogh, RN**

Does the scientific evidence make the case for emergency nursing practice?

**11:40
to
12:30**

301 - Post Polio Syndrome

Vanessa C. Kramasz, RN

Discover this chronic disorder from its beginning to present research and findings.

302 - Pediatric Trauma

Mark Hostetter, MD

Explore the complex world of pediatric injury.

303 - What's Bugging the Kids?

Sally Reynolds, MD

Examine the infectious diseases commonly found in the ED pediatric population.

304 - No More Purple Hands

Martha Weber, RN

Current trends in seizure therapy in the ED.

Sponsored by Cyberonics.

12:30 - 1:50 • Lunch and Networking

**2:00
to
2:50**

401 - What's So Hard About Neuro Assessment, Anyway?

Jan Gillespie, RN

A common sense approach to a good neuro assessment that can be done in the ED.

402 - Sudden Cardiac Death in Children and Young Adults

Rebecca A. Steinmann, RN

Hypertrophic cardiomyopathy, anomalous origin of the left coronary artery, long QT syndrome or commotio cordis? Explore these and other common causes of sudden cardiac death.

403 - What Overdoses Worry the Medical Toxicologist?

Michael Wahl, MD

The pearls and pitfalls of treating the most common "hard to treat" poisonings in Illinois.

404 - Assessing Acute Abdominal Pain

Darcy Egging, RN

Assess acute abdominal pain and learn to differentiate between surgical and non-surgical presentations.

**3:00
to
3:50**

501 - Kinematics in Pediatric Trauma

Nancy Jones, MD

CSI Chicago:

The medical examiner perspective on child abuse and pediatric trauma; dramatic case presentations.

***Closing Session
in the Ballroom***

**3:50
to
4:30**

CECH Distribution

CECH's provided for ECRN, TNS, Pediatrics.

EXHIBITS OPEN 7:00 am until 11:00 am

The Illinois State Council ENA welcomes the exhibitors to this year's 31st Symposium. The exhibitors provide many opportunities to experience and view the latest innovations in emergency technology. Take advantage of this great opportunity to interact with exhibitors, nurse recruiters and representatives of nursing schools.
