WELCOME

DEAR EMERGENCY NURSE,

On behalf of the Illinois State Council Emergency Nurses Association, we invite you to attend the 40th Annual Spring Symposium 2014. The Spring Symposium Committee spent the past year working diligently to continue the Symposium's tradition of quality education from recognized experts with the latest need-to-know evidence for emergency nurses and healthcare professionals.

Emergency nurses, nurses with an interest in emergency care, advanced practice nurses, and nurse leaders are invited to participate in the Spring Symposium 2014. Continuing education credit will be applied for nurses and EMS providers.

The Spring Symposium is held this year at our new location, the Hilton Lisle-Naperville Hotel in Lisle, Illinois. This beautiful facility offers a wide variety of amenities for guests and Symposium attendees with a luxury decor.

Back by popular demand, the 40th Annual Spring Symposium features a pre-session, the Advanced Clinical Program on Thursday, April 10, which is open to all attendees. In addition, the General Sessions, including the Keynote Address, Closing Address and Exhibit Hall, is featured on Friday, April 11. New this year is the Illinois ENA CEN® Exam Review Course on April 9 and 10.

Come and join emergency nurses and healthcare providers from Illinois and beyond, network with your colleagues and update your emergency care knowledge. And don't forget to take advantage of the local area attractions, including The Morton Arboretum and multiple shopping venues.

We look forward to seeing you at the Hilton in Lisle!
