Sponsored by

Pediatric Symposium 2011

Join the Illinois Emergency Nurses Association as the Education Committee presents the first Pediatric Symposium on Friday, June 10, 2011, in Silvis, Illinois. This educational seminar will provide a comprehensive look at all aspects of pediatric care, including the neonate, in pre-hospital, acute care, and primary care settings with an emphasis on emergency care.

The Pediatric Symposium is specifically designed for registered nurses, emergency medical services (EMS) providers, and respiratory therapists. Join us as experts from Illinois and Iowa review the pearls of pediatric care and reveal the most current practice recommendations for this unique patient population.

Continuing Education

Nursing Contact Hours

This activity will be submitted to the Emergency Nurses Association for approval to award contact hours. The Emergency Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

EMS Providers Continuing Education

This activity has been submitted to Eastern Iowa Community College for approval to award 6.0 hours of continuing education for Iowa EMS providers. This activity has been submitted to Illini EMS Services for approval to award 6.0 hours of continuing education for Illinois EMS providers.

Respiratory Therapy Continuing Education

This activity has been submitted to the continuing education sponsor, Genesis Medical Center Illini Campus, for approval to award 6.0 contact hours for respiratory therapy providers.
