# WELCOME

## DEAR EMERGENCY NURSE,

On behalf of the Illinois State Council Emergency Nurses Association, we invite you to attend the Annual Spring Symposium. The Spring Symposium Committee spent the past year refining the Symposium's tradition of quality education from recognized experts with the latest need-to-know evidence for emergency nurses of all types.

Emergency nurses, nurses with an interest in emergency care, advanced practice nurses, and nurse leaders are invited to participate in the Spring Symposium 2017. Nursing continuing education credit will be applied for.

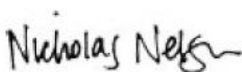

The Spring Symposium remains at the Hilton Lisle-Naperville Hotel in Lisle. This re-freshened facility offers a wide variety of amenities for guests and Symposium attendees.

New this year are the addition of two Pre-Sessions on Thursday, April 20. A Cadaver Lab, sponsored by PerSys Medical and Zoll, will feature a review of anatomy and physiology, and provide a hands-on opportunity to practice emergency procedures. And a 3-hour Deep Dive session builds upon the popular 2016 breakout session by Jennifer Leininger on gender diverse patients, including transgender patients, in the ED.

The Advanced Clinical Program on Thursday is geared towards APNs and graduate students, and is open to all RNs. The ACP includes pharmacology topics and now a targeted exhibitor session focused for APNs. Nursing humorist Terry Foster returns as the Keynote and Closing speaker. The General Sessions on Friday, April 21, include our expansive Exhibit Hall.

Come and join emergency nurses and healthcare providers from Illinois and beyond, network with your colleagues and update your emergency care knowledge.

**We look forward to seeing you at the Hilton in Lisle!**

**Nicholas Nelson**  
2017-2018 President
