About TNCC

The Premier Course for Trauma Care

TNCC, widely recognized as the premier course for hospitals and trauma centers worldwide, empowers nurses with the knowledge, critical thinking skills, and hands-on training to provide expert care for trauma patients.

- ◆ Rapid identification of life-threatening injuries
- ◆ Comprehensive patient assessment
- ◆ Enhanced intervention for better patient outcomes

ENA developed The Trauma Nursing Core Course to establish a standardized body of trauma nursing knowledge and to improve the care of all trauma patients

Registration Requirements

Only Registered Nurses may receive verification in TNCC.

ENA strongly recommends six months of clinical experience in the Emergency Department or Critical Care setting, as well as knowledge of emergency terminology.
