

## CALL FOR POSTER ABSTRACTS

### Illinois Emergency Nurses Association's 46<sup>th</sup> Annual Spring Symposium 2020! Due by November 9th, 2019

Present your best evidence-based practice, quality and research reviews/projects addressing the many challenges today's Emergency RNs, APRNs, managers, leaders, and researchers are facing each day!

#### Instructions:

The poster sessions are focused on topics that are of interest and importance to Emergency Nurses and APRNs. Abstracts must reflect evidence-based reviews/projects that are near completion or in the final stages of completion with results/outcomes available for inclusion in the poster. The author is expected to adhere to the guidelines/schedules concerning dates/times of poster display and be able to answer questions and/or discuss the poster content with conference attendees.

**Poster Abstracts** for projects must be a maximum of 750 words. Use the link below to submit your Evidence-Based project abstract
